The applicant hereby certifies to the Commissioner of Education that the representation made in this application properly reflects the projected pupils, personnel, and expenditures to be incurred in the operation of the special education program for pupils with disabilities conducted within the school system, that the expenditures for services and goods will be made exclusively for the benefit of pupils which meet the eligibility criteria established by the Department of Education, and that personnel assignments and other documentation of expenses will be readily available for audit. All records necessary to ensure the correctness of the information provided by the agency will be kept five years beyond the final reporting date and access to such records will be provided to the State Department of Education.

The Local Education Agency (LEA) hereby assures the State Education Agency (SEA) that the LEA meets each of the following conditions:

1. Special Education and Related Services will be provided in compliance with the established Tennessee Rules, Regulations & Minimum Standards.
2. The LEA, in providing for the education of children with disabilities within its jurisdiction, has in effect policies, procedures, and programs that are consistent with the State policies and procedures established under §612.

  - c. All children with disabilities residing in the LEA, including children with disabilities who are homeless children, or are wards of the State, and children with disabilities attending private schools within the LEAs jurisdiction, regardless of the severity of their disabilities, and who are in need of special education and related services, are identified, located and evaluated and a practical method is developed and implemented to determine which children with disabilities are currently receiving needed special education and related services. 612(a)(3)
  - d. An individualized education program (IEP), or an individualized family service plan (IFSP), that meets the requirements of section 636(d), is developed, reviewed and revised for each child with a disability in accordance with section 614(d). 612(a)(4)
  - e. To the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, are educated with children who are not disabled. Special classes, separate schooling, or other removal of children with disabilities from the regular educational environment occurs only when the nature or severity of the disability of a child is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. 612(a)(5)(A)
  - f. Children with disabilities and their parents are afforded the procedural safeguards required by §615. 612(a)(6)
  - g. Children with disabilities are evaluated in accordance with subsections (a) through (c) of § 614. 612(a)(7)

### C. FINANCIAL INFORMATION

#### 1. PERMISSIVE USE OF FUNDS

**AFTER** reading the requirements on the corresponding form, please answer **yes** or **no** to each of the following items (A, B, and C). Any **yes** response requires completion of a corresponding form that follows. If **no** is answered on all three items, continue completing the application and disregard the attached forms for these permissive programs.

**Yes**  **No**    **A. Adjustment to Local Effort in Certain Fiscal Years.** IDEA 04 allows a LEA to reduce state and local maintenance of effort by up to 50% of the increase in IDEA funds from the previous year if those funds are used to provide activities authorized under ESEA. If the LEA wishes to reduce MOE, it must use the attached form to calculate the maximum amount available for this purpose (Page 5A) and indicate how these funds will be used (Page 5A(1)).

There are limitations to this adjustment. If the LEA is also electing to take funds under Coordinated Early Intervening Services, this reduces the amount of funds available for the reduction of MOE. Also, any LEA identified as not meeting requirements in the State's APR, is prohibited by law from reducing its maintenance of effort figures.

**Yes**  **No**    **B. Permissive Use of IDEA funds for Schoolwide Program.** IDEA allows a LEA to use funds to carry out a schoolwide program under Section 1114 of ESEA. If an applicant utilizes these funds, you will report the designated amount for each school and ensure that excess cost and service requirements are met. *(Use form on Page 5B)*

**Yes**  **No**    **C. Permissive Use of IDEA funds for Coordinated Early Intervening Services.** IDEA allows a LEA to use up to 15% of funds, in combination with other amounts (other than education funds), to develop and implement Coordinated Early Intervening Services, which may include interagency financing structures, for students in kindergarten through grade 12 (with particular emphasis on students in kindergarten through grade 3) who have **not been identified** as needing special education or related services but who need additional academic and behavioral **support to succeed in a general education environment.** *(Use form on Page 5C)*

**NOTE:** If an LEA is determined to have significant disproportionality based on race and ethnicity utilizing state criteria, the LEA must utilize Coordinated Early Intervening Services (Section 618 (d)(2)(B)). The amount expended by an LEA under Coordinated Early Intervening Services shall count toward the maximum amount of expenditures such LEAs may reduce in Item "A" *Adjustment to Local Effort* (above).

**If an applicant utilizes these funds, you must show the calculations on the corresponding form.**

### C. Use of IDEA Funds for Coordinated Early Intervening Services

Allows an LEA to use not more than 15% of the amount it receives under IDEA Part B funds for any fiscal year, less any amount reduced by the LEA pursuant to Section 613(a)(2)(C) *Adjustment to Local Fiscal Effort in certain Fiscal Years*, if any, in combination with other amounts (which may include amounts other than education funds), to develop and implement Coordinated Early Intervening Services, which may include interagency financing structures, for students in kindergarten through grade 12 (with particular emphasis on students in kindergarten through grade 3) who have **not** been identified as needing special education or related services but who need additional academic and behavioral support to succeed in a general education environment. Section 613(f)(1)

In implementing coordinated, Coordinated Early Intervening Services, a LEA may carry out activities that include:

1. Professional development (which may be provided by entities other than LEAs) for teachers and other school staff to enable such personnel to deliver scientifically based academic instruction and behavioral interventions, including scientifically based literacy instruction, and, where appropriate, instruction on the use of adaptive and instructional software; and
2. Providing educational and behavioral evaluations, services, and supports, including scientifically based literacy instruction. Section 613(f)(2)

NOTE: Nothing in this subsection shall be construed to limit or create a right to a free appropriate public education under this part. Section 613(f)(3)

If a LEA develops and maintains coordinated, Coordinated Early Intervening Services an annual report must be submitted to the Division of Special Education on –

1. the number of students served under Early Intervening this year, and –
2. The number of students served under Coordinated Early Intervening Services who subsequently receive special education and related services under this title during the preceding 2 year period. Section 613(f)(4)

Funds made available to develop and implement coordinated, Coordinated Early Intervening Services may be used to carry out those services aligned with activities funded by, and carried out under ESEA, if such funds are used to supplement, and not supplant, funds made available under ESEA for the activities and services assisted under Section 613(f). Section 615(f)(5)

Notwithstanding Section 613(a)(2)(A) or Section 612(a)(17)(B) (relating to commingled funds), funds provided to the LEA under this part may be used to develop and implement coordinated, early intervening educational services in accordance with Section 613(f) *Early Intervening*. Section 613(a)(4)(A)(ii)

**Section 618(d)(2)(B) additionally requires an LEA identified for disproportionality to reserve the maximum amount of funds under Section 613(f) to provide comprehensive coordinated early intervention services to serve children in the LEA, particularly children in those groups that were significantly over identified and is required to publicly report on the revision of policies, practices and procedures described under subparagraph (A) identification of children having a particular disability.. Section 618(d)(2)(B)(C)**

Complete this form only if Item C, Page 5 is marked “yes”.
